

SHOE BOXES of Love

Suggested items for shoe boxes of love

Research and feedback received from people affected by previous disasters shows that receiving a box of well thought out luxury items is much more beneficial to the healing and recovery process than many other types of donations.

Putting together a shoe box of love is lots of fun! Think about the items you use each day - which items can't you go without? These are exactly the types of items you could include!

Our lists below provide some suggestions on what you might like to include in your box. If possible, please include the items listed as 'essential' as a minimum, as this reduces the need for us to add in those items.

Box for a pet

Single food sachets, lead, brush, comb, dog shampoo, toys, blankets (must be new), bowls, bottle of water, bird toys. Please note that for safety purposes, only flea, tick and worming treatments available from veterinary clinics and good pet stores will be accepted in pet boxes (Advantage, Revolution, Advocate, Frontline etc.)

Cleaning Care Packages

Our boxes are distributed by a range of reputable organisations. Often we are asked for "Cleaning Care Packages" to help get those affected back on their feet. Please use the following list of items as a guide when putting your Care Pack together. We understand that Cleaning Care Packages will likely require a larger box than a shoe box!

Quality toilet paper (Quilton or Kleenex), quality tissues (Kleenex, Quilton, Sorbent), rubber gloves, cleaning products (any of the Earth's Choice range are ideal), washing powder, fabric softener, stain remover, strong garbage bags, good quality paper towel, dustpan set, scented candles or melts, hand wash, sorbolene or barrier cream, stingoes, sunscreen, insect repellent, basic first aid kit (Panadol, Betadine/Dettol, Band-aids, Tweezers etc), torch and batteries.

Final thoughts

Our recipients love reading your messages, so don't forget to personalise your shoe box of love by writing your own note showing your support, and add it in to your shoe box. Please clearly label your box with the intended recipient's age and gender (eg. Girl 3-5 years).

Please note we do not accept any second-hand items or hotel sized toiletries, and all toiletries must be in their original packaging.
